

**ANNEX III****Schedule of Canada****Explanatory notes**

1. The Schedule of Canada to this Annex sets out:
  - (a) headnotes that limit or clarify the commitments of Canada with respect to the obligations described in subparagraphs (b) and (c);
  - (b) in Section A, the reservations taken by Canada, pursuant to Articles 13.10.1 and 13.10.2 (Reservations and exceptions), with respect to an existing measure that does not conform with obligations imposed by:
    - (i) Article 13.3 (National treatment);
    - (ii) Article 13.4 (Most-favoured-nation treatment);
    - (iii) Article 13.6 (Market access);
    - (iv) Article 13.7 (Cross-border supply of financial services); or
    - (v) Article 13.8 (Senior management and boards of directors);

- (c) in Section B, the reservations taken by Canada, pursuant to Article 13.10.3 (Reservations and exceptions), for measures Canada may adopt or maintain that do not conform with obligations imposed by Articles 13.3 (National treatment), 13.4 (Most-favoured-nation treatment), 13.6 (Market access), 13.7 (Cross-border supply of financial services), or 13.8 (Senior management and boards of directors).

2. Each reservation in Section A sets out the following elements:

- (a) **Sector** refers to the general sector in which the reservation is taken;
- (b) **Sub-Sector** refers to the specific sector in which the reservation is taken;
- (c) **Type of Reservation** specifies the obligation referred to in subparagraph 1(b) for which the reservation is taken;
- (d) **Level of Government** indicates the level of government maintaining the measure for which the reservation is taken;
- (e) **Measures** identifies the laws, regulations or other measures, as qualified, where indicated, by the **Description** element, for which the reservation is taken. A measure cited in the **Measures** element:
  - (i) means the measure as amended, continued or renewed as of the date of entry into force of this Agreement; and

(ii) includes a subordinate measure adopted or maintained under the authority of and consistent with the measure; and

(f) **Description** sets out references, if any, for liberalisation on the date of entry into force of this Agreement pursuant to other sections of Canada's Schedule to this Annex, and the remaining non-conforming aspects of the existing measures for which the reservation is taken.

3. Each reservation in Section B sets out the following elements:

(a) **Sector** refers to the general sector in which the reservation is taken;

(b) **Sub-Sector** refers to the specific sector in which the reservation is taken;

(c) **Type of Reservation** specifies the obligation referred to in subparagraph 1(c) for which the reservation is taken;

(e) **Description** sets out the scope of the sectors, subsectors, or activities covered by the reservation.

4. In the interpretation of a reservation in Section A, all elements of the reservation shall be considered. A reservation shall be interpreted in the light of the relevant provisions of the Chapter against which the reservation is taken. To the extent that:
  - (a) the **Measures** element is qualified by a specific reference in the **Description** element, the **Measures** element as so qualified shall prevail over all other elements; and
  - (b) the **Measures** element is not so qualified, the **Measures** element shall prevail over all other elements, unless any discrepancy between the **Measures** element and the other elements considered in their totality is so substantial and material that it would be unreasonable to conclude that the **Measures** element should prevail, in which case the other elements shall prevail to the extent of that discrepancy.
5. In the interpretation of a reservation in Section B, all elements of the reservation shall be considered. The **Description** element shall prevail over all other elements.
6. Where Canada maintains a measure that requires that a service supplier be a citizen, permanent resident, or resident of its territory as a condition to the supply of a service in its territory, a reservation for that measure taken with respect to Articles 13.3 (National treatment), 13.4 (Most-favoured nation treatment), 13.6 (Market access), 13.7 (Cross-border supply of financial services), and 13.8 (Senior management and boards of directors), shall operate as a reservation with respect to Articles 8.4 (Market access), 8.5 (Performance requirements), 8.6 (National treatment), 8.7 (Most-favoured-nation treatment), and 8.8 (Senior management and boards of directors) to the extent of that measure.

7. A reservation for a measure that requires a service supplier be a natural person, citizen, permanent resident, or resident of its territory as a condition to the supply of a financial service in its territory taken with respect to Article 13.7 (Cross-border supply of financial services) shall operate as a reservation with respect to Articles 13.3 (National treatment), 13.4 (Most-favoured-nation treatment), 13.6 (Market access), and 13.8 (Senior management and boards of directors), to the extent of that measure.

## Headnotes

1. Commitments under this Agreement, in the subsectors listed in this Schedule, are undertaken subject to the limitations and conditions set forth in these headnotes and in the Schedule below.
2. The listing of a measure as a reservation in Section A or B does not mean that it cannot otherwise be justified as a measure adopted or maintained for prudential reasons pursuant to Article 13.16 (Prudential carve out).
3. To clarify Canada's commitment with respect to Article 13.6 (Market access), juridical persons supplying financial services and constituted under the laws of Canada are subject to non-discriminatory limitations on juridical form<sup>1</sup>.
4. Article 13.10.1(c) (Reservations and exceptions) shall not apply to non-conforming measures relating to Article 13.6.1(b) (Market access).

---

<sup>1</sup> For example, partnerships and sole proprietorships with limited or unlimited liability are generally not acceptable juridical forms for financial institutions in Canada. This headnote is not itself intended to affect, or otherwise limit, a choice by an investor of the other Party between branches or subsidiaries.
